

Summer Greetings from TCS.....

Dear TCS Families,

I hope this letter finds you having a wonderful summer! We are missing our TCS students, but keeping busy with prospective family visits, summer camps, and preparing the records for our **MANY** transitioning students. If you should need assistance or have questions over the next several weeks, please feel free to call TCS or contact me directly by e-mail (lcd@udel.edu), as I will be in and out this summer. Mrs. Bachman is available weekly, Monday through Friday, 8:00am to 3:00pm (302-831-0222) or (jbachman@udel.edu).

We finished two weeks of *Robotics* camp with HUGE success! Our 1st through 4th grade campers had a fabulous time engaging in the many activities each day offered. On July 6th, we will begin two weeks of *Digital Movie Making Camp*.

I want to take a brief opportunity to share a few end of the year remarks, as well as some for the new school year ahead. I truly appreciate the enthusiasm displayed by all who attended our **CLOSING CEREMONIES** on June 5th. What a delight to have our children host and entertain us with our 3rd annual spring fashion show! Every child contributed a special part to the performance—I'm so proud of each one. This time of celebration and farewell triggers many emotions; however, while it is hard to say "good-bye" to members of our TCS community, we celebrate the many achievements and thank **YOU** for your support this year. Looking ahead, we eagerly anticipate visits from our Alumni, and can't wait to hear about their new schools! Again...CONGRATULATIONS on a wonderful school year!!!

Finally, for those new children and parents joining us in September. I assure you that becoming a part of The College School will be a unique and rewarding experience. As one journey ends, it is always exciting to watch this new one begin! Enjoy your summer vacation and I look forward to seeing you soon!

All the best,

Mrs. Dougherty

TCS sends our best wishes to the **2015** transitioning students. We are so proud of you!
