# Fry Sight Word Fluency Game

(Level: Fifth Hundred Part 1 of 2)

## Materials:

- One die
- Printed game board with Fry sight words

## Preparation:

Print the game board and attach both halves together with glue.

## How to play:

- This game can be played with individual students or small groups.
- The student rolls the die. The number that he/she rolls is the number of the column that he/she must read aloud.
- To build fluency, encourage the student to read all words, as quickly as possible, without sounding out the letters.
- If multiple students are playing together, they can take turns rolling the die and reading the columns of words.
